Ink compatibility and key benefits

Standard

For everyday printing that is precise and affordable.

Value

For high volume printing, choose high capacity XL packs.[1]

Affordability
Individual 4 ink system lets you replace each cartridge separately when needed.

Dual-drop ink technology
Delivers an extremely small ink drop size, for photos with smooth, even colour and fine detail.

Instant-dry and smudge resistant photos
Print realistic photos that dry instantly and resist water and smudges using HP 564 inks with HP Advanced Photo Paper.

A variety of HP paper for different needs

HP Advanced Photo Paper
250gsm, Glossy

Glossy Photo paper with great all-around performance

- Glossy, instant-dry prints with rich and vivid colours
- Water-, smudge- and scratch-resistant
- Thicker and heavier weight for a true photo feel
- Compatible with most inkjet printers

HP 564 series Photo Pack (CG929AA)[2]

- 3 standard filled HP 564 PhotoSmart Ink cartridges
- 85 sheets, 10 x 15 cm (4 x 6-inch) HP Advanced Photo Paper

1. High-capacity HP XL ink cartridges not included; please purchase separately.
2. HP Photo Value Packs not included; please purchase separately. HP Photo Value Packs are available in selected countries only.
3. Results of 3rd party testing, commissioned by HP done by TÜV SÜD PSB Ltd – 2010 Reliability Comparison Study Asia. Ink cartridges tested 45, 78, 56, 57, 60 Black & 60 Tri-colour. Full report available at www.tuv-sud-psb.sg/reportdisclaimer.aspx. Applicable for selected Original HP ink cartridges only.
4. Available in selected countries only.
5. Availability of rewards varies by country. For more information, please visit www.hp.com/apac/hprewards

Why buy Original HP print cartridges?

Exceptional value
Original HP print cartridges produce twice as many printed pages as compared to remanufactured and refilled ink cartridges.[3]

Exceptional quality
Over 20 years of research and development have gone into the design of Original HP print cartridges to ensure that you get impressive and consistent print and photo quality every time.

Exceptional reliability
In a recent study, 42% of tested refilled cartridges were found dead on arrival or failed prematurely.[3] With Original HP print cartridges, you can expect consistent, reliable and flawless performance.

Environmental commitment
HP's Planet Partners Program ensures that Original HP print cartridges collected are recycled responsibly. All cartridges returned to the program go through a multi-phase recycling process, and various parts are reduced to raw materials that are used to make new metal and plastic products.

Be rewarded
Earn rewards when you purchase and install Original HP ink cartridges.[5] Count on quality and reliability, plus your choice of exclusive offers and thank-you gifts from HP Rewards.[5]

HP Photosmart 6520 e-All-in-One

Print, Scan, Copy, Web

The joy of creation

HP Photosmart 6520 e-All-in-One

Express yourself easily with impressive results at a touch

Meet the HP Photosmart 6520 e-All-in-One – a versatile printing hub with intuitive gesture control. You can simply swipe and touch the large 3.45 inch (8.76 cm) touchscreen to interact with cool printer apps[1], print lab-quality photos or documents and even scan photos and documents directly to email[2, 3] or network folders. Plus it's designed to deliver great photo-quality printing efficiently thanks to its dedicated photo tray and XL cartridge support.[4] Truly an all-in-one that delivers everything at a touch.

Easier with touchscreen and gesture control

With a simple swipe and touch on the large 3.45 inch (8.76 cm) touchscreen, you can access and print web content directly from the printer.[1] To select any printer app[1], simply touch the app icon and access a world of colouring pages from Dreamworks Animation, Disney, Nickelodeon etc. You can even create eye-catching signs and posters easily with Party Poster and Design a Sign apps.

Go to www.hp.com/go/ePrintCenter for more information.

HP ePrint. Now print from your smartphone or tablet from virtually anywhere.[5]

Whether you are a user of mobile device or personal computer, with HP ePrint you can print from anywhere without using drivers and cables.[5] Be it 3 feet or 3 thousands miles away, you can choose to print from any of the following:

Print via email[5] - With your printer having its own email address, you just email your documents to your printer and get the printouts quick and easy.

Print via AirPrint™[6] - Print directly from the web, email and more with your iOS devices (iPhone 3GS/4/4GS, iPod and iPad).

Print via HP ePrint App[7] - Using your Smartphone/Tablet, download the HP ePrint App which can intelligently search, find and recommends the best printers available based on your location and print needs.

Print via HP ePrint software[8] - Now you can print from your computer to any HP ePrinter with as little as just two clicks! Simply click File and Print, select available printers and print to your home, office or HP ePrint Public Print Locations.

Go to www.hp.com/go/eprintsoftware to download and learn more.

Easy wireless printing from your mobile device without a network or router.[2, 9]

Be the first to enjoy HP Wireless Direct Printing from your WiFi capable smartphone and other mobile devices without needing to connect to any network.[2, 9] Simply walk up, connect directly to the printer and print – all with the minimum of fuss. No additional routers or password needed.

Scan photos to email[2, 3]

You can now scan your documents or pictures and send directly to your email or other recipient's mails for efficient file sharing.

HP Auto Wireless Connect[10]

Now, connecting HP Photosmart 6520 e-All-in-One to your WiFi network is truly simple. Simply turn on the printer, insert the software CD into your WiFi-connected PC and the printer is automatically connected. No password or WiFi network name to remember or enter.

The convenience of photo printing

Simply slot in your memory card into the front mounted card reader, choose the photos to print on the touchscreen and sit back. The dedicated photo tray automatically engages to produces stunning 4 x 6 or 5 x 7 inch photos, even if you have other media loaded in the main tray.

Double-sided printing

Save time and paper with automatic two-sided printing with HP Photosmart 6520 e-All-in-One. Fully automated, you simply select to print on both sides of the page and it's all done – effortlessly.

Create exciting memories with HP Photo Creations software

With over 1,800 artwork designs to choose from, it's easy to expand your printing capabilities by making calendars, collages, greeting cards and photo projects easily on your home PC! You can easily print lab-quality, water-resistant photos that resist fading for generations,[11, 12] and documents that retain black and color quality for decades.[13] Even produce borderless photos for framing or sharing.

1. Requires a wireless access point and an Internet connection to the printer. Services may require registration. Apps availability varies by country and language. For details, www.hp.com/go/ePrintCenter
2. Wireless performance is dependent upon physical environment and distance from access point.
3. Compatible with most popular email services. check www.hp.com/go/eprintcenter for more information.
4. Compared to HP 564 Black and Colour Ink Cartridges. High-capacity XL cartridges and HP Photo Value Packs not included, please purchase separately. HP Photo Value Packs are available in selected countries only.
5. Requires an Internet connection to the printer. Feature works with any connected Internet- and email-capable device. Print times may vary. For a list of supported documents, and image types, see www.hp.com/go/eprintcenter. And for additional solutions, see www.hp.com/go/mobile-printing-solutions
6. Supports the following devices running iOS 4.2 or later: iPad®, iPad® 2, iPhone® (3GS or later), iPod touch® (3rd generation or later). Works with HP's AirPrint™-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent upon physical environment and distance from the access point. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple® Inc., registered in the U.S. and other countries.
7. Requires acess to third party app stores. See www.hp.com/go/mobile-printing-solutions for details on compatible devices.
8. Requires software installation and wireless internet connection to the printer. HP ePrintCenter account registration is required. To create an account, go to www.hp.com/go/eprintcenter. To download the HP ePrint Software, go to www.hp.com/go/eprintsoftware. Print times may vary. Use of HP ePrint Software with HP ePrint Public Print Locations requires separately-purchased wireless internet service.
9. Not available on all printers. Mobile device must be wireless-enabled. Printer must be HP ePrint-enabled. Feature may require driver or apps, available for download at www.hp.com/go/eprintcenter.
10. HP Auto Wireless Connect may not be available for all system configurations. Wireless performance is dependent upon physical environment and distance from access point. For information on compatibility, visit www.hp.com/go/autowirelessconnect
11. Water resistance based on HP internal testing, using paper with the ColorLok® logo.
12. Display-permanence rating by Wilhelm Imaging Research, Inc., or HP Image Permanence Lab. For details, visit www.hp.com/go/printpermanence
13. Fade resistance based on paper industry predictions for acid-free papers and Original HP inks; colorant stability data at room temperature based on similar systems tested per ISO 11798 and ISO 18909.
14. Based on ISO/IEC 24734: see www.hp.com/go/inkjetprinter for details.
